TOWN LOTS GO LIKE HOT CAKES

BIG CROWD ATTENDS AUCTION SALE AND BIDDING IS SPIRITED FOR OFFERINGS.

One of the largest crowds that has gathered in Crab Orchard in years gathered there Wednesday for the sale of lots in "Mineral Park Addition," promoted and carried out most successfully by the American Realty and Auction Company of Lexington. The tract sold is located directly adjacent to the depot, and divided up into lots, was sold in a whop by the famous twin auctioneers, the Penny brothers, who cried the sales in union and kept things on the jump at all times. The eighty lots sold for an average of \$45 apiece, netting a nice little profit to the auction company, and to the former owners the Buchanan heirs.

A free lot was given at the end of the sale, and was drawn by Garfield Howard, son of Ben Howard of the West End. George D. Boone drew the five-dollar gold piece, and there was a merry scramble for the handful of silver which were scattered broadcast after the sale. And the singing of the hymn quartet from the wagon after the sale had concluded was worth the price of admission alone.

The interest in the sale, shows the confidence which the people of the East End have in Crab Orchard. Most of the people were Crab Orchard people or those residing in that section of the county, which shows that they believe in their city and have confidence in its future. A number of handsome residences are already planned for the new addition and several business houses will go up near the depot on the lots purchased.

Champ Clark

SAYS HOODLUMS CONTROL NINETENTHS OF ELECTIONS.

Speaking before the Christian Endeavor convention at Atlantic City this week, Champ Clark, Speaker of the National House of Representatives and one of the biggest Americans of the day, did some mighty straight talk as said:

"There is no room in the United States for a new kind of an order," he declared at the outset. "Any man who misses two general elections should be disfranchised. Our forefathers did not fight to give us the right to vote. They wanted us to have our own say at election. If I had one prayer that I was sure to be answered, it would be that every citizen should acquire sufficient education to read his own ballot, and cast it as an American citizen should."

"Hoodlums run nine-tenths of our elections and the hoodlum who goes out and votes is a better man than the citizen who fails to vote his ballot. If it is the duty of every citizen to take a part in politics, these fine-haired citizens who say they are too busy to enter politics are bad citizens."

"The great question before the American republic is the question of good citizenship. I don't believe the United States is going to the dogs, no matter whether a republican or a Democrat leads the next administration. I believe the party in power will work for the perpetuity of the American republic and for the betterment of the people and the betterment of society."

"The world in general is growing better and particularly our part of the country. In my opinion we will soon devise a scheme that will give labor the benefit of its toil and keep riches from a few greedy souls. Signify that the change is in sight and profit with its workmen. The pension system already in force on most of the big railroads puts to blush the system maintained by the United States Government. That is not the age of conservatism but practical religion."

Union service in the evening at the Baptist church. Subject, "Potative Religion."

She was very weak and had night sweats but your wonderful medicine completely cured both of us. It's the best I ever used or heard of." PREACHERSVILLE

While putting hay in the mow in J. M. Cress' barn last week, Rodney Mc C. Naylor had a very narrow escape from a serious injury or possibly worse. The team, which was being used to operate the hay fork, was started by some one before the young man, who was tending the fork, could extricate his feet from a coil of rope which was attached to the implement. When the team started the young man was speedily raised, and if he had not had presence of mind enough to grab the rope, which was now tightened by his weight, it is certain that he would have been jammed into the mowing of the device with disastrous results. As it was his head received a pretty hard bumping by striking the pulley.

Wm. Boone, who lives at the mouth of Cedar Creek, received serious injuries while at work in his hay barn by falling a considerable distance, his body striking against the wagon bed. Dr. W. J. Edmiston, of Crab Orchard, was called. Mr. B. is some better at last accounts.

The following attended the republican convention in your city Saturday: B. T. Lunsford, J. F. Shaw, Ben Holtz, J. L. Kennedy, G. T. Lunsford, James L. Anderson, and others. A goodly number of the O'Rear men residing in this vicinity were stay at home.

Miss Nell Newland, of Cedar Creek, and Misses Minnie and Bettie Hayden, of Boyle county, were the guests of Mrs. W. C. Cummins. Mr. and Mrs. D. E. Proctor and son, of Stanford were with Mr. and Mrs. J. M. Cress.

John Richardson, wife and daughter, Miss Jennie and Grover Gastineau, wife and daughter, with the family of Wm. Naylor, and Mrs. John B. Anderson and children attended a family reunion at John Naylor's Sunday last.

Frank Lykens and wife of Griffin Station and D. J. Rigby and niece Miss Bettie, were guests of Mr. and Mrs. J. E. Shaw.

CLARENCE SIPPLE WANTS CAMP MEETING

URGENT PLEA FOR CONTINUATION OF THE MEETING AT JUMBO THIS YEAR

I learned from the present officers of the Camp Meeting Association that the meeting this year will be held about the last of August. I am gratified that the Camp Meeting work will go on at Green River. My heart was and is now in that work, which for the most part was started by the sacrifices of a few of God's children, assisted by the generous aid of some of the best citizens of old Lincoln. I am still of the opinion that the meeting can and by all means ought to run on. It's needed.

People will go to a meeting of that kind and will be brought in touch with the gospel who are by the churches. A change is needed in church life, as well as any other to break the monotony. Christ preached to the multitudes by the river and in the mountains. And why not have a yearly feast of the pure gospel preached by some of our best preachers annually at Jumbo? Why not build cottages, buy you a tent and be on the grounds early this year and stay all through the meeting? That will make it go.

We have good grounds and timber. And it's only a question with you will a number build cottages this year and substantially support the meeting? That's all that is needed. The fact that there are some opposers and others who will stand by and see you spend your time and money for their salvation and the general good of the church and not help but talk about you, is not a sufficient excuse for us to give up the work. These few poor suspicious devil possessed souls needs pity and mercy. But there are many others honest earnest people, all about who come to the meeting seeking the Christ and wanting to do better.

In God's name is it not our duty to carry the gospel to them? And so we need the benefit of the work ourselves. Is it not a fact that many Christians are spiritually because they do not work? The best way to go to hell is just simply to do nothing. Be hot or cold, act and live or do nothing and die. Be on one side or the other, run the Camp Meeting or be found earnestly trying. God will give the victory.

I believe that God will bless the work. I have faith in the work. I cannot now support the meeting and attend as I have in the past but I will gladly aid in every way I can to help the meeting along.

The exact date will be given later. Let everybody prepare to come to Jumbo Camp Meeting 1911.

Yours, Clarence J. Sipple.

MUST BELIEVE IT.

When Well-Known Stanford People Tell It So Plainly.

When public endorsement is made by a representative citizen of Stanford the proof is positive. You must believe it. Read this testimony. Every man, woman or child with any kidney trouble will find profit in the reading.

John T. Barnett Rowland St., Stanford, Ky., says: "I used a great number of kidney remedies during the past three years and I can say that Doan's Kidney Pills brought me the first relief I received. My work obliges me to do heavy lifting and stooping and this weakened my kidneys. I suffered from a pain across the small of my back that often became so intense I was unable to do anything. I was feeling miserable when I learned of Doan's Kidney Pills and they were recommended so highly that I procured a supply at Shugart & Tanner's Drug Store. This remedy gave me almost instant relief and for that reason I gladly recommend it."

PRIMARY ELECTION TO NOMINATE

HON. W. H. SHANKS HAS NO OPPOSITION AMONG DEMOCRATS—J. N. MENEFE, JR., MAY RUN.

At the meeting of the Lincoln County Democratic Committee held here on July 4th at the time of the canvassing of the vote in the state primary, a call was issued for a legislative primary in this county on August 19th at which time the democrats will nominate a candidate to succeed Hon. William H. Shanks in the lower house of the General Assembly. So far no opposition has appeared to Mr. Shanks and his friends do not believe that he will have any. He is a candidate for Speaker of the House with a splendid chance of winning the honor. The republicans did not give him opposition the last time he made the race, but there is talk that John N. Meneffe, Jr., may run this time.

The official call for the primary election as issued by the committee is as follows:

A regular meeting of the Democratic Committee of Lincoln county was held at the Court house in Stanford, Ky., on the 4th day of July 1911 for the purpose of determining the time and manner of selecting a nominee for the Democratic party for the office of representative in the Kentucky legislature from Lincoln county, to be filled at the regular November Election in November 1911, and upon action made and seconded the following resolutions were adopted: 1.—That a primary election be held in the County of Lincoln on Saturday the 18th day of August 1911 for the purpose of nominating a candidate as the party nominee for the Democratic party for the office of representative in the Kentucky legislature, which office is to be filled at the regular November election 1911. And for this purpose all of the voting precincts of the county of Lincoln shall be open from 6 o'clock a. m. until 4 o'clock p. m.

2.—All legal voters of the county who affiliate with the Democratic party, including all independent Democrats, and all minors who will be of legal age at the regular November election are invited and requested to participate in said primary election.

3.—That any person desiring to become a candidate for the Democratic party nomination for the office of Representative in the Kentucky Legislature, shall do so by giving the Chairman of the Democratic County Committee for Lincoln County written notice of the fact that he desires to become such candidate and nomination with the said chairman the sum of \$200 as entrance fee to assist in defraying the expenses of said primary election. Said notice will be given and said entrance fee deposited as directed on or before August the 3rd 1911.

4.—Provided that in the event that there is not more than one Candidate for said nomination at the date fixed at the last day for candidates to enter the primary, then the Democratic County Committee of Lincoln county shall and will meet and call off said primary election, and receive themselves into a convention and make the candidate the nominee of the Democratic party for said office.

Witness our hands as Chairman and Secretary of the Democratic county committee, of Lincoln county this July 10th 1911. G. L. PENNY, Chairman, J. B. BAILEY, Secretary.

Fell Headfirst In Well

AND 'UNCLE JOHN' DELANEY WAS RESCUED JUST IN TIME.

Rowland, July 13.

While Uncle John Delaney was trying to get a bucket out of the well, the top gave way and he fell in head first but the water being only 4 or 5 feet deep, kept him from drowning. Mr. Milton got a ladder and put it down in the well and got him out.

Our Rowland representatives who attended the republican convention at Stanford last Saturday was not satisfied with the results at Stanford so they met that night in G. A. Hearst's barn, who they instructed for we can't find out but it is the general belief they had a split up in their convention.

LACKEY FAMILY HOLD REUNION

ALL MEMBERS TOGETHER AT CRAB ORCHARD FOR FIRST TIME IN 20 YEARS

A delightful reunion of the members of the Lackey family of Lincoln county is being held at Crab Orchard Springs this week, this being the first time in twenty years that the sons and daughters of Hon. G. A. Lackey, have all been together. The reunion is covering a period of two weeks, the host of members of the family living in the neighborhood last week and will remain this week.

Mt. Vernon Loved Ones

COME TO ATTEND FUNERAL OF MRS. HUGHES MONDAY

A large crowd of friends and relatives of Mrs. Logan H. Hughes came down from Mt. Vernon on the 5:30 train Monday afternoon to take one last look at the face of their loved one before it was hidden forever from their gaze. The funeral was one of the saddest ever seen in Lincoln county and was one of the most largely attended. Mrs. Hughes was only 27 years of age and not 34 as was stated in Tuesday's paper. The tribute paid to the noble young matron by Rev. D. M. Walker in the services at the home was one of the most beautiful ever heard on a similar occasion and one of the most truly deserved. There was scarcely a dry eye in the house when he had concluded and the sympathy of all went out to the stricken husband and other loved ones upon whom the blow falls the heaviest.

Among those who came from Mt. Vernon, besides Hon. F. L. Thompson father of Mrs. Hughes, her two sisters, Misses Alza and Susie Thompson and her two brothers, were C. C. Davis and wife, W. J. Sparks and wife, W. M. Poynter, C. C. Cox, Miss Grace Cox, Mrs. Lola Cox, Arthur Daily, Mrs. Joel Cooper, Mrs. C. C. Williams, Miss Jessie Williams, Mrs. Glen Brown, Mr. West, Cossie Sutton and Conn Brown.

A Big Season

CRAB ORCHARD SPRINGS CROWDED AND FARE IS FINE.

Crab Orchard Springs is having the biggest season it has known since the good old days when the beauty and chic of the South came to this Lincoln county pleasure resort for the summers. Splendid improvements have been made under the new regime. Paint and paper have given everything a quick and span, and pleasing appearance which delights the eye, while the table Mrs. Willis is setting this season, is the best in years. The guest list has been an unusually long one up to the present time and each train brings many new arrivals. Some seventy-five guests are expected the first of this week, and among them are representatives from many states. The orchestra, under the direction of Prof. Finley affords best of music for dancing, and the daily concerts are most enjoyable. The management has installed many improvements this season and these together with the excellent culinary department are good drawing cards. Crab Orchard's noted mineral waters are beneficial, as always and the head chef's "light rates" are most palatable.

Among those from Stanford who have been guests there the past week are: Mrs. Louise Tate, Mr. and Mrs. C. E. Tate and children, Misses Pattle and Kate Alcorn, Mrs. J. N. Saunders, Mrs. Susan B. Yeager and Mr. John Meneffe, Mrs. Bessie McKinney and Mr. Lee Ruple, Miss Nancy Yeager and Mr. Mike Penny, Miss Berta Jean Penny and Dr. W. L. Carman. Miss Virginia Bourne and Mr. George Meneffe, Messrs. Wesley Embury, Will McCarty, Walter Milburn, and Russell Brown.

When the first execution under the new law providing for electrocution in the place of hanging took place in the state penitentiary at Kydville last week it came near ending in the death of two persons. Instead of one, Prison Physician R. H. Moss attempted forward to feel the pulse of the negro who formed the first subject, before the current had been turned off, and barely missed having between two and three thousand volts pass through his body. The negro, James Buckner paid the penalty for the murder of a policeman at Lebanon several weeks ago.

Miss Rachel Allison

PASSES OVER RIVER AFTER LONG ILLNESS.

It was with great regret that the sad news of the death of Miss Rachel Allison was received here Tuesday morning. Although it was known that Miss Allison had for some time past been in poor health, the end was not so soon expected. Having been a frequent visitor in Stanford for several years past, Miss Allison had won many friends and admirers who, besides her relatives keenly feel their loss. She made Lexington her home, but spent much time here.

Those who know Miss Allison recognize in her a noble, lovable character, and her near relatives have the deep sympathy of all. Mrs. Mary S. Pugh of this city and Mrs. Sam Curtis, of Lexington are the only surviving members of the family.

Mrs. Burch, Misses Esther and Mary Burch, and Hon. W. S. Burch attended Miss Allison's funeral which took place at Georgetown, Ky., Wednesday afternoon.

Tyree Reunion

DELIGHTFUL FAMILY GATHERING HELD IN OLD ROCKCASTLE.

To the Editor of the I. J.: Dear Sir:—Will you allow space in the columns of your valuable paper for this letter. Had the pleasure of meeting with some people by the name of Tyree at the old Blair Spring near Broadhead on last Sunday. Captain W. A. Tyree acted as toastmaster. He is the only brother of the Tyree sisters better known by the railroad people as Captain Tyree, the concrete foreman. Capt. Tyree has four sisters; but only three of them were present. They were Mrs. Mary E. Owens, of Maresburg, Mrs. Bell Cox, of Broadhead and Mrs. M. E. Johnson of Whitley Station, Whitley county.

The other sister and father of the little family could not be present, to the regret of all. We had good singing and grand preaching from Mr. Brock, Mr. Harris and Mrs. M. E. Johnson and all present enjoyed a good time. The dinner was prepared on the ground in regular camp style, plenty of fish and other good things, that we will not take space to mention.

Our old friend Charles Hurst came over on the last train. He is one who is liked by all who know him. He is liked by all who know him. He is like Capt. Tyree, it does him good to make others feel happy and he is one of the best old boys in Rockcastle.

A little excitement occurred when a dog with the rabies passed through the grounds while all the little ones were enjoying themselves in their singing and other amusements but he was followed by the old ex-marshal B. D. Albright and killed near the depot. The damage he did to stock will be large.

Found Tyree, an uncle of Capt. Tyree who is 78 years old and has taken most of the premiums of all the old fiddlers' contests was present with his violin and gave music. Ed Owens a son of James Owens, who has been employed by the railroad company for 20 years said he had enjoyed himself better than any gathering he has been to in 50 years. I enjoyed myself and do hope that I will have the pleasure of meeting these good people again.

BAUGHMAN'S BIG SALE

THIS YEAR SEPT. 6 AND 7

DATES ANNOUNCED FOR SECOND ANNUAL OFFERING OF HIGH CLASS KENTUCKY STOCK

The J. H. Baughman Livestock Company this week announced and claimed the date for its second annual fall sale which will be held in Stanford on Wednesday and Thursday, September 6 and 7. From the character of stuff which they have already on hand for this big sale, they believe that it will eclipse the big sale of last fall when Mr. Baughman sold \$25,000 worth of mules, brood mares and colts in one day. That sale almost set a record in this part of the state for high prices for mules and brood mares, and Mr. Baughman believes that the stock he will offer in this year's sale will be of a still higher class and bring more money. His sale last year was attended by one of the largest crowds ever seen at a sale in Central Kentucky and the eagerness with which the good things were snapped up, shows the healthy demand of the market for the things that he offers. Many of the big buyers who were here then have already signified their intention of being present at this sale this season.

Mr. Baughman has associated in business with him Charles Lutes, one of the shrewdest judges and buyers of cattle ever produced in Kentucky, and in this year's sale besides a large stock of mules, brood mares and horses, they will offer the best lot of stock and feeding cattle and sheep ever gotten together in this section. This feature will add extra interest to the big sale and means that still greater numbers of buyers will be on hand.

Owing to the fact that a great number of his friends, have requested that Mr. Baughman accept stock from them to be sold during the sale, he has decided to make the sale cover two days, the first of which will be devoted to the sale of his stock and the second to that of stock which he has accepted to sell on a commission. And in this regard, he will accept and offer on this second day nothing but stock of the highest class and approved stuff that will maintain the high reputation he has already made for the case of offerings he puts up. These big sales will be liberally advertised, and those who are interested are requested to watch for the advertising to come later which will give full details.
